Odessa Main Street Reconstruction Public Open House

Date and Time: Monday, March 10 5:30 pm - 7:30 pm

Address: 263 Main Street, Odessa, ON

The County of Lennox & Addington is planning for the full-depth reconstruction of Main Street in Odessa, from West Street easterly to Shane Street. The County's work will include the road and storm drainage improvements. Loyalist Township will coordinate the rehabilitation of our watermains and sanitary sewers concurrently with the road works. The project is anticipated to start in 2026, and stretch over several construction seasons.

Active transportation linkages are an important part of the Township's Infrastructure Masterplan, which was adopted by Council in June 2024. As part of the Main Street reconstruction project, a multi-use pathway, approximately 3m in width, is being considered for the south shoulder of Main Street, from Creighton Drive to County Road 6 (the pathway has already been constructed from Creighton to West Street). If included, the multi-use pathway would result in the loss of south-side street parking throughout this section.

Before we start design work for the project, we are reaching out to Main Street property owners and business owners for feedback on the project and proposed alternatives for parking in Odessa.

Drop by on Monday, March 10, 2025, between 5:30-7:30 p.m., in Council Chambers at the Odessa Municipal Office. Staff from the Township, the County, and the design engineer will be on hand to discuss the project, and to answer questions.

Visit the project page on [Engage Loyalist](#) to read more. Sign up to "Follow" the project to receive updates as the project progresses.
