Address: 434 Main Street, Bath

We invite you to join us on April 14, 2025 from 6:00 - 7:00 pm for our first Culture Talks presentation at the Bath Museum. David Archibald will be performing Titanic: Pride of the White Star Line.

Step back in time to 1912 with this engaging performer. With a carefully selected blend of songs that were performed on the ship (ragtime, music hall and hymns) and original compositions, the stage is set for a musical voyage you won't soon forget. Archibald accompanies himself on piano, mandolin, guitar and banjo-uke. Add to this is the poignant stories of passengers and crew and the listener is transported to the opulent days of Edwardian society onboard the greatest ship of its day.
