Culture Talks with Steve Manders

Date and Time: Monday, June 9 6:00 pm - 7:00 pm

Address: 434 Main Street, Bath

On April 14, 2025 from 6:00 - 7:00 pm we hope you will join us for our final Culture Talks presentation for the spring series at the Bath Museum. Steve Manders, local author of *The First Spike*, will be sharing stories of the Grand Trunk Railway.

170 years ago construction began on Ernestown Station, part of the first phase of the Grand Trunk Railway construction. Steve Manders will help us to explore how the arrival of the railway transformed Loyalist Township, connecting the community to broader trade networks and fueling economic growth. The Former Grand Trunk Railway (now Canadian National Railways) Station at Ernestown is a one-storey, stone railway station, built in 1855-56. It is located in Odessa on the northern shore of Lake Ontario. Although now closed, this building holds unique heritage value as one of the few remaining original Grand Trunk Railway stations.

For more information and to purchase your ticket visit Loyalist.ca/Events. Ticket sales are limited.

TuNesday in the Township Summer Concert Series

Date and Time: Wednesday, June 11 6:30 pm - 8:00 pm

Address: Loyalist Park, 133 Pratt Drive, Amherstview

Loyalist Township is thrilled to announce the return of the TuNesday in the Township summer concert series! This beloved community event features monthly concerts in the park between May and August, offering free live music, complimentary popcorn, summer vibes, and fun for all ages. We invite everyone to bring their lawn chairs, blankets, and dancing shoes to enjoy an unforgettable evening of music and fun.

All concerts will begin at 6:30 p.m. at the Loyalist Park Amphitheatre, located at 133 Pratt Drive, Amherstview. The Amherstview Lions Club will be present at each concert, collecting donations for the local food bank. Your generosity will help support those in need within our community.

On June 11, Vintage Vibes will take the stage, bringing timeless songs that are seldom heard live. The band features seasoned performers with many years of experience playing in various groups. They deliver a diverse mix of country, early rock and roll, and classic rock from the late '60s and '70s. This is your chance to sing along to tunes you know and love, and to experience the magic of live music from a bygone era.

Please note that all concerts are weather dependent. In the event of a cancellation due to inclement weather, a sign will be posted at the concert location, and an announcement will be made on our social media channels. We encourage everyone to check for updates before heading to the venue.

Join us this summer for an incredible series of concerts that celebrate the joy of live music and the spirit of community. We look forward to seeing you there!
